

Pass The Purse

How can cleaning out your closet benefit women in need?

The Batavia Women In Business is collaborating with the Batavia School District to show some extra love to moms in our area who are in need.

As we all know, women put their children and family first before thinking of themselves. **We'd like to remedy this!**

Batavia Women in Business plans to assist the women in our area who may not have the means to purchase the everyday items that many of us take for granted. We will fill gently used or new purses with a variety of personal items.

Our goal is to collect as many purses as we can, and then fill them with a variety of items. They will be delivered – along with a special note – prior to Mother's Day!

HOW YOU CAN HELP:

- Bring a gently used or new purse to our April luncheon, or drop them off at the Batavia Chamber Office.
- Make a monetary or gift card donation. Batavia Women in Business Council members will use these cards to purchase items to add to the purses. Gift card suggestions include Target, Walmart, Walgreens, Kohl's.

Thank you in advance, for your very generous donations!
